FARM BUREAU & USDA HOST A FARM BILL UPDATE SESSION AT EFD

Northeast farmers will have an opportunity to hear from legislators concerning the upcoming Farm Bill on the afternoon of Wed., Aug. 8th in the Special Events Center. NY Farm Bureau is working with the offices of NY Congressional representatives and the USDA to provide them with the opportunity to present an overview of where the new Farm Bill is in the legislative process, what it will mean to Northeast farmers and what impact they can have at this stage in the process. Come, listen, ask questions and make a difference.
