

*Plug Into the Power*

# Press Release

JUNE 2007

## **Empire Farm Days Host to Action, Innovation and Efficiency**

**EXPERIENCE THE ACTION:** Action is the name of the game at Empire Farm Days with more than 50-pieces of iron operating in the field, and opportunities for farmers to test drive some of them. Exhibitors pull out all the stops to show Northeast Farmers what's new and innovative. Many exhibitors actually demonstrate their products and services right on their exhibit lots and adjacent fields. Tractor safety, skid steer dances, band saws, fence building, hay management, mixer wagons, combining, building construction, antique tractors, vegetable and fruit specialty equipment, livestock handling, crop & breed displays, dairy and livestock equipment, are just a sampling of what is happening and available on each individual lot. For 3 days in August, it all comes together--- technology, equipment and products from the leading manufacturers and specialists for Northeast farmers and landowners. It's all about Northeast agriculture and it's all at Empire Farm Days.

**EXPERIENCE THE INNOVATION:** For farmers, EFD is a direct link to new farm technologies, equipment, ideas and the excitement of Northeast agriculture. For businesses, EFD means connecting directly with farmers and farmers connecting directly with manufacturers. The farm show is the only place where producers can see the future, try out the latest innovations, and engage the eyes and ears of the folks in the midst of creating the future of agriculture. One day out of the year at EFD and you have participated in a business opportunity unequalled anywhere! No matter what type of agriculture you are involved in: dairy, livestock, crops, equine, fruit, vegetable, forestry, woodlot, specialty crops...EFD is the place to grow outside the box!

**EXPERIENCE THE EFFICIENCY:** The 2006 EFD is designed with today's producer in mind. Like exhibits are grouped for your convenience. Field Demonstrations are adjacent to the exhibit area for easy access. Programs and seminars run continuously, all three days. Whether you are comparison shopping, checking out what is new, or looking for an answer to a specific challenge, EFD provides all that quickly, efficiently and in person! It is a learning, buying, exciting opportunity you won't find anywhere else.
